# The Academy

---

The Academy is a public higher education institution founded in 2019 by the merger of four vocational higher education institutions, which today are departments:

- of educational studies in Kruševac
- of chemical and technological studies in Kruševac
- medical studies of Čuprija
- of educational studies in Aleksinac

Co-funded by the  
European Union

# Kruševac

European Union

# Aleksinac

**Preschool teacher department**

# Ćuprija

Co-funded by the  
European Union

**Medical department**

Co-funded by the  
European Union

---

The departments have a long tradition and have undergone several transformations since their foundation in 1950. till today.

Co-funded by the  
European Union

# study programs

---

The Academy has accredited basic and master professional study programs in the field

- medicine (nurse, physiotherapist, pharmacist, radiologist, midwife)
- education (preschool teacher),
- techniques and technologies (chemistry, environmental protection, informatics).

Co-funded by the  
European Union

3000 students study at the Academy and 185 teachers, assistants and administrative staff are employed.

The Academy has a publishing activity and, in addition to textbooks, publishes two magazines (Sinteze and Pons) and conference proceedings (Preschool teacher in the 21st Century).

Co-funded by the  
European Union

# Projects

---
