

## **Minutes**

### **on the on-line training organized by the Slovak University of Agriculture in Nitra (SUA)**

**Topic: Digital and Sustainable Student and Staff Mobility**

**Date: September 6-7, 2023**

#### **September 6, 2023**

The programme was opened by Mr. Vladislav Valach (Director of International Relations Office of SUA). Participants were informed on the details of the programme of the on-line training. The meeting continued by the introduction of Mrs. Loreta Schwarczová from the Faculty of EU Studies and Regional Development of SUA into the theoretical part of the training. During the first day of the training the presentation on “Digital and sustainable student and staff mobility” was communicated to participants. The topic was divided into several parts:

- digitally enhanced (Virtual) mobility - Terms and Definitions,
- types of Virtual Mobility,
- virtual Mobility Environment.

In the final part of the first day programme the participants were introduced into the theoretical background of the practical part. The topic and the assignment was explained in details and participants were divided into 4 groups. Every group created a work team and processed the assignment into PowerPoint presentation.

**September 7, 2023**

The on-line training continued with a practical part where every group representing partner university presented the assignment. After every presentation participants developed a fruitful discussion where remarks, recommendations and questions were discussed and clarified.

In the frame of the closing sessions organizers of the training summarized the main outcomes and benefits of the training. Participants were informed on the planned study visit at he SUA in Nitra on October (15-19), 2023.
